BACK BY POPULAR DEMAND!

OK! You caught us! We would be lying to you if we were to say that there was a great demand for this sequel outside a small cadre of ultra Emil fanboys and gals (we will leave it to your better judgement to sort all that out) who have (I assume) an easily treatable mental illness and pre-ordered this edition.

Our Legal Beagle (Ms. Kimmie) says since they paid upfront, we need to create and ship...hopefully, long before Emil becomes aware of this and we can hire on more security!

Have I kept you waiting so long?

Please understand that traffic is bad (again) these days -

Credit Score continues to set new records on its downward path (currently minus 4,200 points) so don't blame me...

I am the true victim here!!!!

Can I help the fact that the faceless, humorless clerks of the New Order dislike me so?

"Can I offer you a few FREE Emil GOF Zombie Samples...Honest! No cost...

Like totally FREE...!!!!

I know! It is a large part of the reason that I am so poor!"
